

About Harbor Music

Harbor High School is proud to offer a comprehensive music program for students in grades 9-12, with an AA Concert Band, Jazz Combo, Guitar and Music Production. Students experience a broad range of musical styles from jazz to pop to classical. Many of our students are recognized at the local and state levels.

All music courses are taught by Nick Bianchini, a local graduate of the Santa Cruz City Schools. Mr. Bianchini first started playing the trumpet in 4th grade at Westlake Elementary School and was hooked ever since. In college he went on to study music at the University of Southern California and California State University Long Beach where he received a Bachelor's of Music in Performance. In addition, Mr. Bianchini has spent many years traveling the nation playing with professional groups.
